PERFORMANCE<sup>™</sup>

MOTIV<sup>™</sup> Digital Microphones and Recording Solutions

**PLUG AND PLAY RECORDING,  
AT HOME ANYWHERE.**

# MV88

Digital stereo condenser microphone for iPhone, iPod and iPad

Stereo recording, on the go.

Convenience and control come together with a Lightning connector and five DSP preset modes for voice and instruments. Together with the free ShurePlus MOTIV mobile app, any iOS device can record 24-bit/48 kHz audio and take advantage of advanced settings including adjustable stereo width, EQ and limiter/compressor.

Matched capsules and mid-side design for clear, detailed stereo capture

90° hinge with left/right rotation for flexible audio and video recording

Shure tested, all-metal construction withstands the most demanding conditions

Lightning connector for use with iPhone, iPod, and iPad

Made for  
iPod iPhone iPad

# MV51

Digital large-diaphragm condenser microphone for Mac, PC, iPhone, iPod, iPad and Android devices

Recording gets real with real-time monitoring and five DSP presets.

The MV51 combines seamless 24-bit/48kHz digital recording, vintage styling and the durability of all-metal construction for grab-and-go portability. A unique touch panel puts gain, mute and headphone volume controls right up front for total control, with positioning flexibility via the built-in kickstand.

1" (25mm) microphone element captures every detail

Built-in kickstand mounts to any standard mic stand

Integrated headphone output for real-time monitoring

INCLUDES  
USB + Lightning Cables

Made for  
iPod iPhone iPad

# MV5

Digital condenser microphone for Mac, PC, iPhone, iPod, iPad and Android devices

Put quality, power and style to work.

A solid choice, take after take, the MV5 is engineered for convenience and flexibility, making plug-and-play 24-bit/48kHz digital recording easy. Three onboard DSP preset modes can dial in the optimal sound—perfect for podcasting, voiceovers or tracking vocals and instruments.

# MVi

Digital audio interface for Mac, PC, iPhone, iPod, iPad and Android devices

Simple and flexible digital recording now goes anywhere.

With an XLR + 1/4" combo jack input for microphones and instruments, five DSP presets and unique touch panel for volume, gain and mode, the MVi brings ultimate control to the creative process. Phantom power for condenser microphones and rugged, all-metal construction make reliable, 24-bit/48kHz quality digital recording possible wherever you go.

# MVL

**Omnidirectional Condenser Lavalier Microphone for iOS and Android devices.**

Superior audio recording with a smartphone.

The MOTIV MVL Omnidirectional Condenser Lavalier Microphone is a quick and easy solution for clear audio in close-mic digital speech recording applications. Works with any mobile phone or tablet equipped with recording capabilities by plugging directly into the headphone jack.

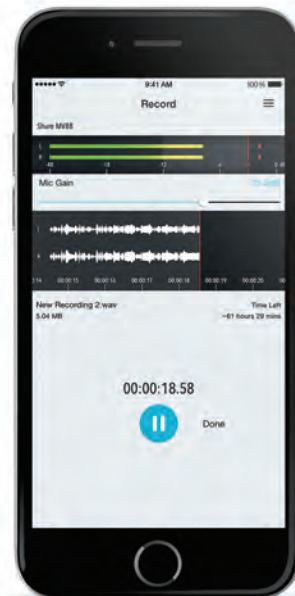

1/8" (3.5mm)  
TRRS connector

## ShurePlus™ MOTIV™ Mobile App

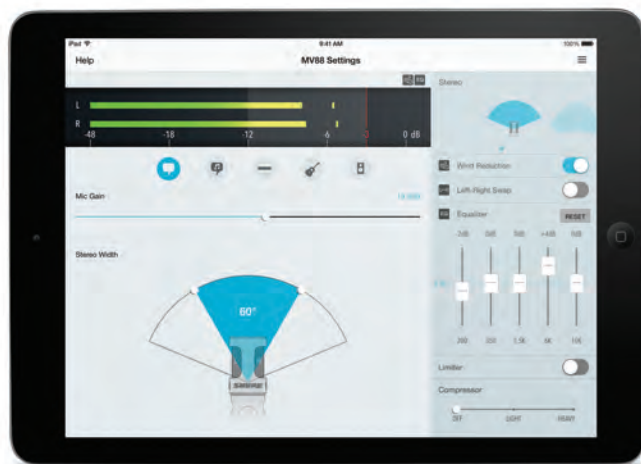

High quality recording on any Apple lightning device, delivered. The MOTIV app is loaded with smart features for digital recording on the go. It enables 24bit/48khz recording with all MOTIV products along with full control of the MV88 digital stereo condenser mic. Whether you're music recording, field recording, interviewing or capturing video, the five preset modes (speech, singing, acoustic, loud, flat) automatically adjust gain, stereo width, equalization and compression for pro results. The app also includes advanced features to further optimize your recordings.

**MV88 Settings Screen**  
Select DSP Preset, Mic Gain, and Adjustable Stereo Width

**MOTIV Record Screen**  
24-bit/48 kHz .wav Format, Real-time Gain Adjustment, High-Resolution Metering

**MV88 Advanced Settings Screen**  
Polar Pattern Select, 5-Band EQ, Wind Reduction, Compressor, Limiter, Left/Right Channel Swap

The free ShurePlus MOTIV mobile app is available on the Apple App Store.

### **MAKE ANY ROOM THE CONTROL ROOM.**

Legendary performances can happen anywhere. Capture them with plug-and-play digital recording that comes with ninety years of experience. MOTIV™ Digital Microphones and Recording Solutions are the powerfully compact, stylish and solid choice. With seamless Mac/PC/iOS integration, and the free ShurePlus™ MOTIV™ mobile app for recording and monitoring with all of the MOTIV products, the focus is on getting the best take—at home or on the go.
